11.3 Any amendments to this Agreement shall be done in written form in Croatian [and English], and they shall come into force on the day Parties sign the Agreement.

Article 12 – Hosting Agreement

12.1 The Host Institution shall in a timely manner conclude an employment agreement / hosting agreement [select depending on Project Manager citizenship] with the Project Manager in the Outgoing Phase before the start of Project implementation defined in Article 3 hereof.

12.2 The Return Host Institution shall in a timely manner conclude an employment agreement / hosting agreement [select depending on Project Manager citizenship] with the Project Manager in the Return Phase, or in case of reintegration before the start of Project implementation in Croatia, and in accordance with the Research Implementation Plan defined in Annex 3, or in accordance with Article 3 hereof.

12.3 The Host Institution and Return Host Institution shall not allow spending of the Funds

before concluding the agreement from paragraph 12.1 or 12.2 between the Host Institution and Project Manager or Return Host Institution and Project Manager in accordance with Annex 1 hereof.

12.4 Agreement from paragraphs 12.1 i 12.2 shall contain provisions which:

12.4.1 define the role and contribution of the Host Institution or Return Host Institution and Project Manager,

12.4.2 define payment dynamics to the Project Manager,

12.4.3 define the intellectual property arrangement applied to Project results and an arrangement on previous intellectual property required for Project implementation,

12.4.4 necessarily contain an employment agreement or hosting agreement in accordance with applicable law.

12.5 Host Institution and Return host Institution shall upon concluding the agreement from paragraphs 12.1. and 12.2. deliver a copy of the employment agreement or hosting agreement to NEWFELPRO Secretariat as described in Article 10 hereof.

Article 13 – Research costs

13.1 Consumables purchased with funds allotted according to this Agreement shall be acquired exclusively for the purposes of the Project and in accordance with the Financial Plan from Annex 2, and in accordance with the duration of the Project defined in Article 3 and Annex 2 hereof.

13.2 Host Institution and Return host Institution shall ensure that the Project Manager has priority for using consumables bought for the purposes of the Project.

Article 14 – Intellectual property and publication of research results

14.1 Research Results obtained during Project implementation which are adequate for legal protection in terms of intellectual property shall be governed by Croatian law, or the European law and European legal rules related to intellectual property arising from implementation of projects financed through the PF7 programme (*Regulation (EC) No. 1906/2006 of the European Parliament and of the Council of 18 December 2006 laying down the rules for the participation of undertakings, research centres and universities in actions under the Seventh Framework Programme and for the dissemination of research results (2007-2013), OJ L 391, 30.12.2006*).

14.2 The holder of intellectual property rights over Research Results shall be those Parties conducting the research yielding such results. However, if according to the law governing this Agreement or based on the hosting agreement, Party employees are entitled to own the Research Results, the Party shall ensure such rights are exercised in accordance with this Agreement.

14.3 The Party may choose which of their intellectual property shall be made available for Project partners for the purpose of Project implementation (Imported Intellectual Property), and which shall not be made available. Requests for using Imported Intellectual Property shall

be delivered in written form. Approving the use of Imported Intellectual Property may be conditioned by fulfilling certain prerequisites related to using such intellectual property only for the purpose requested, or by complying with the confidentiality of such information. The right to use Imported Intellectual Property for the purpose of implementing the Project does not imply license or sub-license right to such intellectual property.

14.4 In case of transfer of Imported Intellectual Property to a third party, the Party shall also transfer any obligations related to that intellectual property and resulting from this or any other agreement related to the Project, as well as the obligation that the future owner shall transfer the same obligations to each subsequent owner.

14.5 If research results are adequate for industrial or economic use, the owner shall ensure they are adequately protected while considering their own legitimate interests. If the owner decides to protect Research Results in the form of patents, they shall specify the NEWFELPRO grant in the patent application in the form acceptable to NEWFELPRO Secretariat. All such patent applications shall be indicated in the narrative report. MSES shall likewise be informed on all patent applications submitted after the delivery of final report.

14.6 If research results are adequate for industrial or economic utilisation, and the owner decides not to protect them, or does not transfer their rights to an affiliated legal entity or a third party with registered office in a European Union state or so-called associated country within the Seventh Framework Programme for Research, Technological Development and Demonstration Activities, the research results shall not be made available to the public before MSES is informed. MSES shall be informed on public announcement of research results no later than 45 days before results are publicly published. In that case, MSES may, with the consent of a Party, assume ownership of such research results and protect them. A Party may refuse consent only if they demonstrate that in such an event their legitimate interests would suffer disproportionately great harm.

14.7 Project Manager shall ensure that publishing such research results (including scientific publications) shall be performed with prior notice to NEWFELPRO Secretariat and that it shall be mentioned in the narrative report, all in accordance with intellectual property protection rules, the obligations of keeping information confidential and legitimate interests of the owner of research results. If research results are published after submitting the final report, the Project Manager shall inform MSES thereof within 2 months upon publication of results. If the Parties do not publish the research results, MSES may publish them in an adequate manner.

14.8 If whether during the Project or after the Project has been completed promotional material, books, articles, newsletters are issued or TV or radio programmes are broadcast, or there is other literary or artistic work related to the Project, Parties shall in a visible location in the publication, or in some other way, indicate the NEWFELPRO grant, in a form acceptable to the NEWFELPRO Secretariat. Recommendation for acceptable forms of acknowledging NEWFELPRO contributions and the manner of using their logo shall be on the NEWFELPRO website.

14.9 The Project Manager shall participate in all public presentations of NEWFELPRO, NEWFELPRO questionnaires for collecting basic information on the Project, and which will be used for evaluating the effect of this programme and in other NEWFELPRO activities (seminars, workshops etc.), if the NEWFELPRO Secretariat should request so.

14.10 In cooperation with the Scientist in Charge and Project Manager, the Host Institution and Return host Institution shall ensure the publication of information on their websites regarding the initiation of the project financed within NEWFELPRO in the format requested by NEWFELPRO Secretariat no later than 2 months after the start of Project implementation, i.e. from the date set out in Article 3 hereof.

Article 15 – Information privacy

15.1 MSES and NEWFELPRO Secretariat shall not disclose any information on the Host Institution, Return Host Institution and Project Manager without their prior approval.

15.2 MSES and NEWFELPRO Secretariat are entitled to disclose information on the Host Institution, Return Host Institution and Project Manager to: Selection Committee members, authorised employees of MSES and other external professional advisors or contractual partners, exclusively in the event that they are thereby meeting their obligations, or rights, in accordance with this Grant Agreement or in the event that is in accordance with regulations applicable in the Republic of Croatia.

15.3 MSES and NEWFELPRO Secretariat reserve the right to publish information and/or research results necessary for providing information of public interest in accordance with paragraphs 14.1 and 14.2 hereof.

Article 16 – Termination of Grant Agreement

16.1 MSES may terminate this Agreement:

16.1.1 in the event of failure to implement the Project, poor execution of the Project or breach of any of the fundamental obligations from this Agreement, which is not eliminated within 30 days from receiving a written notice on the breach of Agreement (e.g.: spending Funds contrary to the Agreement, Project Manager is not involved in Project activities or its involvement is significantly reduced; Project Manager carries out research or part of research from other sources of funding, while not informing NEWFELPRO Secretariat thereof etc.),

16.1.2 in the event the Parties, through thought or gross negligence, committed irregularities in performing any other grant agreement entered into with MSES,

16.1.3. in the event the Parties violated fundamental ethical principles,

16.1.4. if the necessary reports or other documents are not submitted to NEWFELPRO Secretariat or if NEWFELPRO Secretariat does not authorise received reports,

16.1.5. if important technical or economic reasons significantly impact Project completion in a negative manner,

16.1.6. if the Parties no longer meet the requirements for participation in the implementation of the Project, as required by the tender documentation, unless MSES determines Project completion is necessary,

16.1.7. if a legally valid verdict determines that the Parties committed a violation in relation to their own business activities, or if they have severely violated their other

obligations in their relationship with state administrative organisations,

16.1.8. when a Party declares bankruptcy, when their business activities are taken over by the court, or when their business activities are suspended, or in the event of any similar situation in accordance with national legislation.

16.2 Through the NEWFELPRO Secretariat, MSES shall notify the Parties on the termination hereof, and the termination shall come into force on the date specified in the notification, or not before 30 days upon receiving the notification.

16.3. In the event of termination of the Grant Agreement, the Parties shall submit any narrative and financial reports requested by the NEWFELPRO Secretariat within 30 days from the termination date hereof. In the event the Parties fail to deliver the reports within the specified term, MSES shall deliver a written notification thereof with an additional 30-day term for the delivery of reports. If the reports are not delivered even within the additional term, MSES may suspend payments for eligible costs incurred until the termination date of the Agreement and request a reimbursement of any previously paid Funds.

16.4 In the event of termination of the Grant Agreement, MSES shall limit financing to eligible costs incurred and accepted until termination date.

16.5 Through a written notification to the Project Manager, MSES may request a reimbursement of any Funds previously paid for the Project or a part of the Funds paid not exceeding 30% in the events of termination from subparagraph 16.1.1 to 16.1.4 and in the event from subparagraph 16.1.7, all within 30 days from the date the request for reimbursement is received, if the Funds have not been adequately spent.

16.6 In the event the Parties want to terminate the Grant Agreement with MSES, they shall do so in writing by sending a notice to NEWFELPRO Secretariat no later than 15 days after a reason for the termination of this Agreement arises. Subparagraphs 16.2 through 16.4 and Croatian law shall be adequately applied to anything not governed by this Agreement.

16.7 If due to extraordinary external conditions which arise after the conclusion of this Agreement, and which could not have been foreseen at the moment this Agreement was concluded, the fulfillment of obligations would become *excessively difficult* or would cause an *excessively great loss* for any Party, that Party may demand amending or terminating the Agreement.

16.8 When the fulfilment of an obligation by any Party becomes *impossible* due to extraordinary external events occurring after this Agreement was concluded and before the obligation is to be fulfilled, and which could not have been foreseen, avoided or removed at the moment this Agreement was concluded and for which neither Party is responsible, the obligation of other Parties is terminated as well. If another Party fulfilled a part of its obligation, they may request a reimbursement according to the rules for reimbursing unjust enrichment. Financing shall in this case be limited only to those eligible costs incurred until the day the extraordinary external events occurred. Defects in products or services, delay in delivery of products or services, labour disputes, labour strikes or financial difficulties shall not be considered extraordinary external events.

Article 17 - Severability

Each provision of this Agreement is independent. If it turns out any of the provisions from this Agreement is invalid or unenforceable, it shall not affect the validity, admissibility or enforceability of other provisions of this Agreement, and the Agreement shall be interpreted in a way which to the highest possible extent enables fulfilling the purpose which the Parties had in mind by agreeing on the provision in question.

Article 18 – Applicable law

18.1 [Croatian] law is applied to this Agreement without the use of its private international law provisions.

18.2 Host Institution, Return Host Institution and Project Manager shall at any moment be able to prove they are acting in accordance with the law from paragraph 18.1 of this Article.

Article 19 – Resolving disputes

19.1 Any disputes arising from this Agreement, including disputes relating to its valid formation, breach or termination, as well as to legal effects arising from it, and which cannot be resolved amicably between the Parties, shall be finally resolved by arbitration in accordance with the applicable Rules of Arbitration of the Permanent Arbitration Court of the Croatian Chamber of Economy (Zagreb Rules).

19.2 In arbitration proceedings, three (3) arbitrators participate only in the event the value of the subject matter of dispute exceeds EUR 50,000.00. In all other events, sole arbitrator is the judge.

19.3 Arbitration takes place in Zagreb.

19.4 Arbitration is conducted in Croatian.

19.5 It is not possible to appeal the verdict of an arbitration court, but it is possible to submit a claim to set aside the judgment in accordance with the Law on Arbitration (Official Gazette "Narodne novine" no. 88/01).

Article 20 - Final provisions

20.1. Grant Agreement, together with its relevant annexes, is deemed as the entire Grant Agreement.

20.2. The Agreement is concluded in Croatian / English. In case of a dispute related to the composition and interpretation of this Agreement, Croatian version shall apply. [Insert in the event the Agreement is concluded in Croatian and English.]

20.3 This Grant Agreement is signed in eight original copies. MSES, Host Institution and Return Host Institution shall each keep two copies, and the NEWFELPRO Secretariat and Project Manager shall each keep one copy.

20.4 The Agreement shall enter into force on the date when all the Parties sign the Agreement.
